**CAMP THEME**  
A Note from the Directors

There are many instances in Baseball that challenge players to RISE to the occasion. A squeeze bunt to secure the victory, pitching out of a bases loaded jam, a diving catch to save the game, or pinch hitting with the winning run on base -- these opportunities to RISE are why we play the game!

Life will also present challenges with more at stake than just winning a game. God is clear in how he asks us to handle such situations: with strength and courage. He goes on to say "follow my commandments and do not turn to the right or to the left and you will have success wherever you go."

It is time once more to lace up the cleats, button up the jersey and fasten your cap. FCA/Called Up Camp is around the corner and we look forward to growing with you this summer! It is time to train... it is time to RISE!
